

HANNAH ENGLAND

WANTS TO WORK WITH YOU

ABOUT ME

Drawing was my first love, so working in an industry that allows me to illustrate would be a dream. I'm formally trained in graphic design and can make layouts or edit photos with ease, but creating fun, colorful illustrational elements gives me the most joy.

I am currently writing -- and plan to illustrate and publish -- a children's book about a cat pulling a sled. I also have a medium-hair calico cat named Pickles, and if you mention cats I will go full Cat Mom and show you every photo I have of her.

I am a member of the McGuffey Art Center in Charlottesville, VA.
